7 Declarations and consent

I declare that the information in this form is true and complete to the best of my knowledge, and I understand that admission may be withdrawn if any of it is found to be false.

In an emergency, if I cannot be reached, I authorise the school to give first aid and, if necessary, to take my child to a doctor or hospital.

May the school use photographs or video of your child in school displays, printed material and its social media?☐ Yes ☐ No Optional. Admission does not depend on your answer, and you may withdraw this permission at any time in writing.

Why we collect this: to admit and teach your child, to reach you, and to act in an emergency. We keep this form while your child is enrolled and for three years after leaving. We do not share it outside the school except where the law requires. To see, correct or withdraw your details, write to the school at the address below.
